

The Pensioners' Association

As you are about to start taking your Zurich pension I would like to take this opportunity to draw your attention to the Zurich Financial Services Pensioners' Association.

Our objectives are:

- to watch over the interests of members generally and to represent them in any matter relating to pensions, social benefits and welfare
- to sponsor any matter concerning the welfare of members or their dependents, and to organise comfort and aid where necessary.
- to provide means of communication with and between members.

Our members enjoy the contact, friendship, comfort and protection which the Association seeks to provide.

The work of the Association is carried out on a voluntary basis. The Association's Executive and Area officers are all Zurich pensioners who give their time freely to assist their colleagues. To cover expenses we currently ask members to pay a small subscription (currently £1 per month – deducted straight from your pension).

I hope you will appreciate the advantages of membership and that you will accept this letter as an invitation to join the Association to which you will be most cordially welcome. An application form is attached and I hope you will complete this as soon as possible.

I look forward to hearing that you have joined the Association and in the meantime send you my very best wishes for a long and healthy retirement.

Yours sincerely

Mike Morris
Chairman
