I understand that Pension Wise is a government-backed service provided by MoneyHelper, which would help me understand how I can use the defined contribution fund that I have built up in the Scheme, ie, ZCashBuilder or Legacy AVCs.

I understand that MoneyHelper provide a free appointment to talk through my retirement options, in order to help me make an informed decision about what to do with my pension savings.

I confirm that I would like to opt out of receiving the Pension Wise guidance provided by MoneyHelper.
